§301-73.100 Must we require employees to use the E-Gov Travel Service?

Yes, unless you have an exception to the use of the ETS (see §§301-73.102 and 301-73.104), you must have fully deployed the ETS across your agency and require employees to use the ETS for all temporary duty travel no later than September 30, 2006. Agencies must submit their ETS migration plans and schedules by March 31, 2004 to the eTravel PMO, (see §301-73.101). You must implement the ETS no later than December 31, 2004, and require employees to use the ETS as soon as it becomes available in your agency. The Department of Defense and the Government of the District of Columbia are not subject to this requirement.

NOTES TO §301-73.100: (1) You have the option to use the contracted travel agent service(s) of your choice (through the ETS or other contract vehicles). You have the responsibility for ensuring agency-contracted travel agent services complement and support the ETS in an efficient and cost effective manner.

(2) Award of a task order to a vendor on the ETS Master Contract constitutes ETS implementation. Agency-wide use of the ETS for all travel management processes and travel claim submission constitutes complete migration.
